## **Greetings Clayton County Parents,**

I am Amelia Davis, the Executive Director for the Clayton County Boys & Girls Club of Metro Atlanta and I am more than excited to be a part of the Clayton County community! I am from Atlanta, Ga where I graduated from Mays High School. I then went on and received my Bachelor's Degree from the University of Georgia and a Master's from Central Michigan University. I have over 18yrs of experience in youth development and have been with the Boys & Girls Clubs movement for over 5yrs and a Club kid at heart!

As your director at the Clayton County Club it is my vision to bring a connection that can't be broken. A connection between the community and families that will go on and last beyond the doors of the Club. I will commit to delivering excellence to our Club by making sure to create a safe and positive environment that creates opportunities for recognition, fun and building supportive relationships where members can grow and our teens can walk across the graduating stage into their great futures!

I look forward to meeting each and every one of you!

Sincerely,  
Amelia Davis, Executive Director  
Flint River Community Center – Boys & Girls Clubs of  
Metro Atlanta
